

VLAD'S READING CLUB

There are lots of books out there.

If you join a library, you can borrow books for **free**. Make sure that you look after them and return them for the next reader.

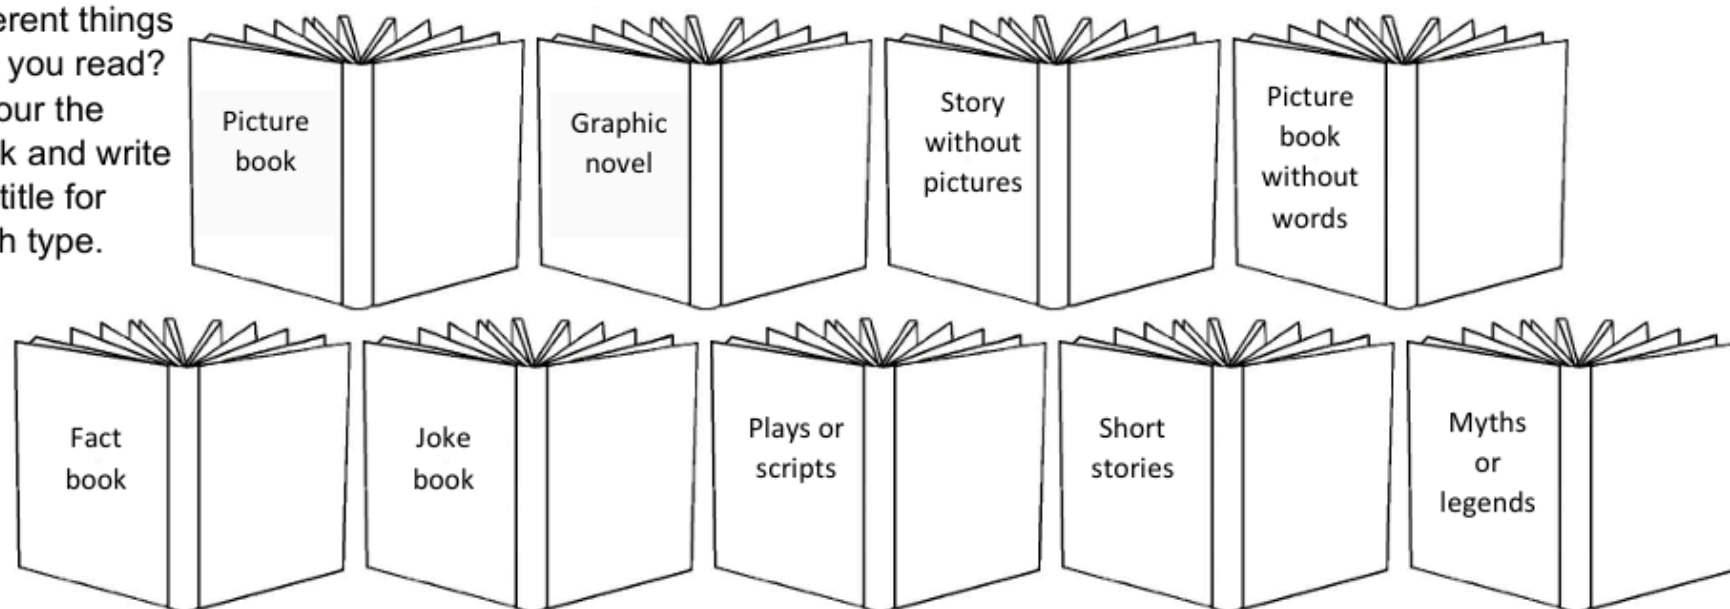

Colour Vlad when you have joined the library

I like biting and history.
What do you like to read about?

Ask the librarian for ideas about what books you could borrow – **they** don't bite!

How many different things can you read?
Colour the book and write the title for each type.
